

Promotion text 3rd European Sustainable Phosphorus Conference

Title: 3rd European Sustainable Phosphorus Conference 2018 (ESPC3), 11-13 June 2018, Helsinki

The [3rd European Sustainable Phosphorus Conference 2018 \(ESPC3\)](#), 11-13 June 2018, Helsinki, is the unique event bringing together companies, stakeholders, regional and national authorities, innovation and researchers, to discuss phosphorus and nutrients sustainability actions and policies. This third conference (ESPC3) follows from the first two such European conferences in [2013](#) and [2015](#). In particular, the conference will present and **assess integration** of phosphorus and other nutrients into EU policies since the publication of the EU Consultative Communication on Sustainable Use of Phosphorus ([2013](#)), **enable dialogue** with industry and stakeholders concerning future policies and see success stories from companies and environmental management. Other objectives of the conference are: **make links** with soil organic carbon sequestration and climate change, **showcase** research and innovation, business success stories from across Europe and global scientists call for phosphorus sustainability (UNEP Our Phosphorus Future project).

Confirmed lead speakers include: **Karmenu Vella**, European Commissioner for the Environment (video message), **Petteri Taalas**, Secretary-General of World Meteorological Organization, **Sirpa Pietikäinen**, Member of the European Parliament, **Jonathan Trent**, adjunct professor University of California at Santa Cruz, **Jan Vapaavuori**, Mayor of city of Helsinki, **Jaana Husu-Kallio**, Permanent Secretary at the Ministry of Agriculture and Forestry of Finland, **Will Brownley**, CEH Edinburgh (Our Phosphorus Future), International Commission for the Protection of the Rhine, International Nitrogen Initiative, Newtrient (US dairy industry), Sustainable Phosphorus Alliance (North America), Netherlands Government, Fertilizers Europe, European Commission DG Environment and Companies, R&D and projects including: SARIA, Nijhuis, WETSUS, Ostara, Italtollina, Kemira, EasyMining, Yara, Natural Resources Institute Finland (Luke), Baltic Slurry Acidification, Cooperl, Svenskt Vatten.

ESPC3 is jointly organised by the [European Sustainable Phosphorus Platform](#) (ESPP) and the [Baltic Sea Action Group](#) (BSAG), and supported by the [Finnish Ministry of the Environment](#) and the [Finnish Ministry of Agriculture and Forestry](#), and [EasyMining](#), [Kemira](#) and [Yara](#). More information, the programme and registration can be found at www.phosphorusplatform.eu/ESPC3

The registration is now open. You can register via <https://events.eventos.fi/event/espc3/pages/registration>
