

# EIP-AGRI in Sweden

Helsinki the 17th of Januar 2019

Inger Pehrson, coordinator,  
National Rural Network

- **Managing authority is the Swedish Agricultural Board (SAB)**
- **Swedish Rural Network (SRN)**
  - is inserted in SAB
  - has a coordinator who works with promotion, marketing, networking and programming
  - has an innovation support group who works part time (support service and brokering)

- **47 mil. € for OGs in the RDP budget**
- **No priority subjects or budget limits for the projects so far (but not forestry)**
- **Two step model:**
  - Setting up funding (lump sum)**
  - and/or funding of an operational group (100 % of costs)**

## Selection criteria

1. The intended innovation improve competitiveness
2. The intended innovation contributes to the introduction of new products, services or methods
3. The intended innovation helps to meet environmental and climate targets
4. The operational group has the necessary capacity to carry out the innovation project
5. The project's effectiveness (activities, budget)
6. The use of results (plan for market entry resp. for communication of R & D needs)

- **First call for setting-up funding and project funding opened at the end of August 2015**
- **Decision meetings (SAB) for setting up support once a month**
- **Meetings with the advisory selection committee 4 times per year**

- **More than 300 applications for setting-up funding, around 200 are approved**
- **Around 200 applications for project support, around 70 have got an positive assessment by the advisory selection committee**
- **51 projects officially approved**

# Challenges

- A new measure which not really fits in”
- Reasonability assessment complicated – takes time
- Liquidity
- Principle of public
- ”New” applicants
- Many applications about changes in the projects

# ”Dock killer” – a good exemple application with budget and checklists to get better applications
